

## Develop your governance skills and upskill in the Kiwifruit Industry

Māori Kiwifruit Growers Inc (MKGI) are pleased to bring you the inaugural *Huakiwi Governance Essentials* – a 2-day course focused on developing and upskilling Māori governors and aspiring governors in the kiwifruit industry.

In partnership with the Institute of Directors (IoD), all participants will complete the IoD Governance Essentials course, a recognised course for New Zealand governors. Participants will also go deeper in learning more about the industry from key leaders including speakers from Zespri, Eastpack and Seeka, followed by an off-site tour to a post-harvest facility.

This course is originally valued at \$955 per person for IoD members and \$1,195 per person for non-members. As a special offer, MKGI are providing this at a discounted rate of **\$250 + GST per person** for Māori growers.

**There are only 24 spots available and MKGI is pleased to share applications are now open. Don't miss the valuable opportunity to enhance your knowledge and skills in governance within the kiwifruit industry!**

**When:** Thursday 21-Friday 22 March 2024
